Space Week at Lothersdale Primary School was out of this world!

Everyone came brilliantly dressed up for the launch of Space Day, complete with a cosmic-themed lunch that fuelled their imaginations!

All pupils were thrilled to explore the Wonderdome planetarium, discovering the fascinating links between space and climate change.

Class 1 blasted off into the world of rockets, while Class 2 designed and crafted their very own satellites, inspired to learn more about the ISS! Class 3 dove deep into the mysteries of the Ozone layer, questioning whether it's good or bad, and Class 4 focused on the pulse of the Earth, brainstorming ways to protect our planet.

What an incredible week of exploration and learning!

**WORLD SPACE
WEEK 2024**
from 7 to 11 October 2024

Lothersdale Grandparents Day Feedback Form

The children were thrilled to have their grandparents in school to share part of their school day with them last week. This week we have sent out grandparent feedback forms via bookbags as the children would love to know what you thought about this exciting event. If you have not yet had a chance to complete the form, please ensure it is returned to school via class teachers on Monday 14 October 2024.

Harvest Festivals ~ Tuesday 8 October 2024

Thank you to all those parents/carers who were able to come along to our Harvest Festival celebrations this week. All the children worked very hard practising their songs and had a great time performing to family and friends. We would also like to thank all the staff for their excellent support in teaching the children their harvest songs and for putting both productions together.

Harvest Parent Feedback Forms ~ this week we have sent our parent feedback forms via bookbags as the children would love to know what you thought about their performances. Thank you to those parents/carers who have already returned the form. If you have not yet had a chance to complete the form, please ensure it is returned to school via class teachers on Monday 14 October 2024.

A massive 'thank you' to all our parents/carers who were able to donate items for Keighley Women's Refuge. They will be greatly appreciated by the families at the Refuge and your generosity has, once again, been overwhelming.

GDPR: NO MOBILE PHONES POLICY
PHOTOGRAPHY/VIDEO RECORDING ~ INTERNET AND SOCIAL MEDIA

Please note that the school has a **No Mobile Phones in School Policy**, and therefore, unless prior permission has been given, parents/carers are not allowed to use mobile phones or take photographs/videos in school.

There are some children in school who, for security reasons, cannot appear in photographs or video recordings and therefore do not have consent in place for photographs to be taken.

Whilst we want to allow you to record special moments in your children's lives at events organised by school off-site (eg participating in Sports Day, Christmas Concert etc), we must insist that any digital images or recordings taken from cameras and mobile phones do not include pictures of any children other than your own, unless you have asked permission from the parents/carers of the children involved. This includes the sharing of images electronically e.g. via the internet and social media sites.

Keighley & Craven Schools Cross Country Cliffe Castle Leafy Run ~ Wednesday 9 October 2024

On Wednesday, four of our pupils took part in the Cliffe Castle run, the first race in this year's Keighley & Craven Schools Cross Country League. All the children ran brilliantly and produced amazing results:

Boys Y3/4 Race:

Hugo Baldwin (Y4) ~ 1st Place out of 120
Tommy Airlie (Y3) ~ 6th Place out of 120

Girls Y3/4 Race:

Sophie Broadhead (Y4) ~ 3rd Place out of 87

Girls Y5/6 Race:

Aravon Airlie (Y5) ~ 12th Place out of 62

Well done everyone, we are all so proud of you! The next race is scheduled to take place at Highfield Recreation Ground on Thursday, 14 November 2024.

Hello Yellow Day ~ Come together in yellow ~ Thursday 10 October 2024

Thank you to all staff and pupils who supported this year's Hello Yellow Day on Thursday by coming to school dressed in something yellow.

We joined thousands of others across the UK to show young people that they're not alone with their mental health. Because we stand brighter, together.

Space Science Fair Thursday 10 October 2024

The Space Science Fair at Lothersdale Primary School on Thursday, 10 October, was a spectacular success!

The children's Space Science projects were wonderful and shared fascinating insights into how rockets work through forces, and intriguing facts about the planets in our solar system, including their distances from the sun and how they were formed. Many projects explored the mysteries of the moon, showcasing the creativity and curiosity of our young scientists!

Mrs Knight was proud of all the children for their incredible engagement and excitement, which concluded a fantastic Space Week.

Class 4 Residential Visit to Marrick Priory ~ Parent Information Evening ~ Monday 14 October 2024

Mrs Ellison has been liaising with Marrick Priory this week to finalise the arrangements for next month's Class 4 residential visit.

The Parents' Information Evening will take place in school on **Monday 14 October 2024 at 6.00pm** ~ please note that pupils should not attend as this enables parents to freely discuss any concerns they may have. Pupils will be able to discuss the Marrick Priory visit in class with Mr Craven nearer the time of the visit.

Thank you to those parents/carers who have already let us know that they cannot make the Information Evening. If you cannot attend, please inform the school office as soon as possible. Full payment for this trip must be made by Monday 4 November 2024.

School Term Dates ~ Academic Year 2025-2026

Please find attached copy of the school term dates for the academic year 2025/2026 for your information.

North Yorkshire Healthy Schools ~ Healthy Packed Lunch

Please find advice below from North Yorkshire Public Health & Healthy Schools Teams on encouraging a healthy, balanced packed lunch with ideas or what to and not to include.

Healthy Packed Lunch Guidance for Parents/ Carers with Children at Primary School

A healthy packed lunch will give children the energy and nutrition they need to get the most from their school day – helping them to stay healthy, feel good and be ready and able to learn. Just like school meals, packed lunches should be made up of foods from the main food groups in the Eatwell Guide www.nhs.uk/live-well/eat-well/the-eatwell-guide and portions should be appropriate for a child's age and size. This will ensure every child has a healthy and nutritionally-balanced lunch.

What should I include in my healthy packed lunch?

Please try to include **ONE** of each of the following in your lunch each day:

STARCHY CARBOHYDRATE

- ✓ bread, wrap, pitta, bagel, rolls, baguette
- ✓ rice or couscous
- ✓ noodles or plain pasta – avoid flavoured instant packet products and limit canned pasta
- ✓ potatoes
- ✓ oatcakes, rice cakes or crackers

Wholemeal/wholegrain options contain more fibre and keep you fuller for longer

Gives you energy for the day ahead!

DAIRY FOOD (or non-dairy alternative)

- ✓ cheese – hard, soft, spread
- ✓ yoghurt or fromage frais
- ✓ milk
- ✓ custard

Choose low fat, low sugar options where possible

Good for healthy bones and teeth!

FRUIT (fresh, frozen, tinned or dried)

- ✓ apple
- ✓ banana
- ✓ satsuma
- ✓ pear
- ✓ plum
- ✓ mango
- ✓ melon
- ✓ dried fruit e.g. raisins, apricots, dates. Add to meals and not as a snack
- ✓ cherry tomatoes (chopped)
- ✓ handful of grapes (halved)
- ✓ fruit salad or kebab

Wash fruit and vegetables prior to preparing. Ensure canned fruit is in juice not syrup.

Fruit and vegetables give you vitamins, minerals and fibre to stay healthy. Part of your '5 a day'

How much? A portion is one child-sized handful.

VEGETABLES OR SALAD

- ✓ chopped vegetable sticks (e.g. carrot, cucumber, pepper)
- ✓ salad in sandwiches
- ✓ vegetable soup
- ✓ Baked beans count as a vegetable but only once during a week. Ensure beans are reduced in salt and sugar

If you are using canned products, choose those without added sugar and salt.

Helps your body to grow and develop

PROTEIN

- ✓ meat e.g. sliced lean ham, chicken or beef in a sandwich
- ✓ fish – preferably try to include oily fish such as salmon, tinned mackerel, sardines and pilchards. Aim to have one portion a week
- ✓ eggs
- ✓ lentils, beans, chickpeas
- ✓ alternative meat free option

Try to limit processed foods e.g. sausages, meatballs, fishfingers, fishcakes, sausage rolls

Helps your body to grow and develop

DRINKS – plain tap water is the best option, especially for teeth. Please send your child to school with their own named, clean water bottle each day.

Drinking enough each day helps keep your body working well and your skin looking healthy!

Me-sized meals

Young children don't need as much food as teenagers and adults. When they eat more than they need, the excess energy is stored as fat in their bodies.

What about snacks for break time?

The best options for breaktime snacks are:

- Portion of fresh fruit (no dried fruit as snacks please as the sugar can stick in teeth).
- Vegetable sticks.
- Other ideas for healthy snacks could be rice cakes, bread sticks, bag of plain popcorn.

Please check your school's policy on snacks

5 top tips for your packed lunch

- Freezer packs can keep food cool. Freeze a (reusable) bottle of water which will be ready to drink by lunchtime.
- Get your child to help pack their lunch box – they are more likely to enjoy it.
- Love to dip? – cut up pitta bread or veg sticks to have with a dip.
- Use pastry cutters to cut funny-shaped sandwiches.
- Protect your fruit by putting it in a small plastic container e.g. apple/banana guard.

Get more vegetables in your lunches!

Here are some GREAT ideas for upping the veg content in your lunchboxes <https://simplyveg.org.uk/lunchboxes>

What should I NOT bring to school?

Please do **NOT** include the following items:

- ✗ Sweets and chocolate bars – these foods are high in sugar and calories, low in goodness, and are harmful for teeth.
- ✗ Squash or fizzy drinks – water is best for teeth.
- ✗ Other items e.g. nuts, sesame, fish – please check your school's allergy policy.

Thank you!

Be safe!

- Please cut up food into small sizes for young children. Cut grapes and cherry tomatoes in half (lengthways if oblong).
- Be aware of allergies – please check your school's allergies guidance.

School dinners are best!

Making packed lunches can be time consuming and expensive – why not try school dinners?

School meals provide your child with a nutritionally-balanced variety of foods. Every infant child (aged 5-7) is entitled to a **FREE** school lunch.

Also, **FREE school meals** for all age groups are provided to families who receive qualifying incomes such as income support and universal credit. Ask your school office how to order yours. More information is available from your school's website or the **North Yorkshire Council website**

LSA Movie Night ~ Wednesday 23 October 2024

The LSA Movie Night is taking place on Wednesday 23 October 2024 after school. The movie, Inside Out 2, is a PG rating.

In the past, we have had communication from parents/carers indicating that they cannot remember if they have paid. We can confirm that the payment is removed from your App, once payment has been made, unless the deadline has passed. If you therefore cannot see the payment on the App prior to the deadline, then payment has been made. You can double check this on your App by looking at your transaction history.

LSA Vacancy ~ Treasurer

We are now recruiting a new Treasurer for the LSA. If anyone would like to find out more about being Treasurer, please contact a member of the LSA (Donna Laycock, Katie Lubomski-Wiggan or Anna Chapman). Whilst it is a key role for all committee members to manage and control the funds the LSA raises, the Treasurer plays an important part in helping the committee carry out these duties properly. The main purpose of the role is to maintain up-to-date records of all the LSA's financial transactions.
