NEXT WEEK IS WORLD SPACE WEEK!

It's going to be a very busy space themed week in school next week and the flyer below was emailed out to parents/carers on Monday providing you with information regarding the events taking place.

Lothersdale Primary School
is celebrating

WORLD SPACE WEEK 2024

Space and Climate Change

from 7 to 11 October 2024

Next Monday, we will be **launching** into **Space** and we have some exciting activities planned with all the children to help us celebrate **World Space Week**. We will be asking ourselves 'How does Space benefit the Earth?'. Did you know that *Satellites play a crucial role in monitoring climate change. They provide data on global temperature, greenhouse gases, sea levels, and deforestation, helping us combat climate change.* Next week our learning activities will have a 'Space/Climate Change' themed focus, and we will also need some help from our parents/carers too to ensure the children fully immerse themselves in their learning to get the most out of our amazing Universe. Here are some of the out of this world activities we have planned in school.

Monday 7 October 2024

Dress Up Day and Space Themed Lunch

Our Space Week assembly at 10:30am will 'launch' the week. Come to school dressed in anything Space related. You could make a planet costume or be a rocket for the day. The universe is yours to explore and we look forward to seeing your amazing costumes!

Our Space Themed Lunch menu is attached ~ please ensure you book your child's lunch via SchoolGrid so they don't miss out.

Wednesday 9 October 2024

Wonderdome Mobile Planetarium

Step into the WonderDome mobile planetarium where you will be transported on a cosmic journey, a thrilling adventure exploring the wonders of the Universe. The captivating show will ignite the children's curiosity and spark a desire to explore ~ it's an unforgettable experience which will hopefully inspire future space explorers and kickstart their lifelong love of space and science.

Thursday 10 October 2024

Space Science Fair

Have you started your Space themed project yet? It can be absolutely anything space related – making a solar system; is there life on other planets; how does a spacecraft dock; how does a rocket fly?

Class Themes ~ each class has been assigned a Space theme and it would be great if you could help your child research their class theme to launch them into Space Week!

CLASS 1
ROCKETS

CLASS 2
HOW DOES SPACE HELP EARTH?

CLASS 3
IS THE OZONE GOOD OR BAD?

CLASS 4

Hello Yellow Day ~ Come together in yellow ~ Thursday 10 October 2024

This year, Lothersdale Primary school is asking all pupils and staff to wear something yellow on Thursday 10 October 2024.

We will be joining thousands of schools, companies and communities to make World Mental Health Day that little bit brighter by wearing something yellow.

Right now, the world is a really tough place for children and young people to grow up in. We want young people to know that they don't have to go through this alone. Things can get better.

This World Mental Health Day, wear yellow with thousands of others across the UK to show young people that they're not alone with their mental health. Because we stand brighter, together.

Instead of coming to school in your
uniform, wear something yellow! You can
be dressed all in yellow, wear a yellow t-
shirt, socks or a hair bobble etc.

Dazzle us with your brightness!

Items from home
Please note that children only need to come to school with their bookbag, PE bag and school water bottle. No other items should be brought into school ie., lip gloss, pencil cases, stationery etc. We are finding that some children in the older year groups are cluttering their desks with all sorts of unnecessary items and we would be grateful if you could support us with this issue. Thank you.

New Reception Bookbag and PE Bag

We still have outstanding payments for the bookbag and PE bag issued at the Welcome Evening in July. It is important that this is paid as soon as possible so that our Finance team in Harrogate can reconcile the accounts. Please contact the school office as soon as possible to let us know when payment can be expected. Thank you for your support.

Miss Jenny Atkins is the Class 3 teacher in school on a Friday and we are delighted she has now taken on the additional role as school SENCo. We all wish her the best in her new role.

School Term Dates ~ Academic Year 2025-2026

Please find attached copy of the school term dates for the academic year 2025/2026 for your information.

Ensuring your child's regular attendance at school is your legal responsibility and permitting absences from school without a good reason causes an offence in law which may result in prosecution. Please remember that Leave of Absence in Term Time is not a 'right' and all requests for leave in term time must be made in advance of confirming any arrangements. Schools can only authorise leave in term time if the circumstances surrounding the request are considered to be exceptional
