

Class 3 Curriculum Overview

Unit 1: What is so special about the UK?

PE

Tuesday – Gymnastics

Friday - Swimming

Music:

Environment theme

Songs and poems about places are used to explore music. Children will be creating accompaniment and sound pictures to reflect sounds in their local environments and across the UK.

English

Reading: Orion and the Dark by Emma Yarlett

Writing: Setting descriptions, innovated story and a non-fiction text

Grammar & Punctuation: The children will look into a range of grammar including expanded noun phrases, paragraphs, adventurous adjectives exclamation sentences, co-ordinating conjunctions and a range of non-fiction features too.

PSHE

Magnificent Me

This half term we will be celebrating all our children in what makes them special and unique.

In Class 3 we have started our 'You All Belong Here' morning whereby 1 pupil everyday will be celebrated, and each child will hear positive compliments about them too.

Maths

Year 3

- Represent number to 100
- Partition numbers to 100
- Number line to 100
- Hundreds
- Represent numbers to 1,000
- Partition numbers to 1,000
- Flexible partitioning numbers to 1,000
- Hundreds, tens and ones
- Find 1, 10 or 100 more or less
- Compare numbers to 1,000
- Order numbers to 1,000
- Count in 50s

Year 4

- Represent numbers to 1,000
- Partition numbers to 1,000
- Thousands
- Represent numbers to 10,000
- Partition numbers to 10,000
- Flexible partitioning numbers to 10,000
- Compare numbers to 10,000
- Order numbers to 10,000
- Roman numerals
- Round to the nearest 10
- Round to the nearest 100
- Round to the nearest 1,000
- Round to the nearest 10, 100 or 1,000

Science

Shining the Light

Recognise that they need light in order to see things and that dark is the absence of light.

Notice that light is reflected from surfaces.

Recognise that light from the sun can be dangerous and that there are ways to protect their eyes.

Recognise that shadows are formed when the light from a light source is blocked by an opaque object.

Find patterns in the way that the size of shadows change.

Geography

What is so special about the UK?

Learning Challenge Questions

1. What are the countries and cities of the UK and can you describe their locations using compass points?
2. What are the main rivers and seas in the UK? Where are they on a map?
3. What are counties?
4. How can we find the high areas of land around the UK?
5. How did London change over time and what is the Prime Meridian?
6. How can we describe how the UK has changed over time?

Design and Technology

Cookery

Children will be cooking a range of English dishes based on our Geography unit of the UK of cities and counties. They will also be looking into Fairtrade products and how we can cook to be sustainable.

French

The children will be learning animals in French using Language Angels. They will be provided with their own Language Angels log ins which they can use at home too.

Enrichment

Cookery lessons using Fairtrade products

Immersion

Experiments to explore light and dark including space wek

Woodland Provision

Light and dark finding shadow patterns
